§ 213.3202 Entire executive civil service.

need as a criteria to select students, if they wish. OPM does not develop or distribute annual economic guidelines for use in determining financial need. (iii) The noncompetitive conversion may be to a position within the same agency or any other agency within the Federal Government.

(iv) Agencies who noncompetitively convert Student Career Experience Program participants to term appointments may also noncompetitively convert them to career or career-conditional appointments before the term appointments expire.

(12) *Agreement by all parties.* (i) The Student Career Experience Program is a formally structured program and requires a written agreement by all parties (agency, school, student) as to the:

(A) Nature of work assignments;

(B) Schedule of work assignments and class attendance;

(C) Evaluation procedures; and

(D) Requirements for continuation and successful completion of the program.

(ii) The work experience with the agency must be related to his/her academic/career goals.

(j) Special executive development positions established in connection with Senior Executive Service candidate development programs which have been approved by OPM. A Federal agency may make new appointments under this authority for any period of employment not exceeding 3 years for one individual.

(k)-(l) [Reserved]

(m) Positions when filed under any of the following conditions:

(1) Appointment at grades GS-15 and above, or equivalent, in the same or a different agency without a break in service from a career appointment in the Senior Executive Service (SES) of an individual who:

(i) Has completed the SES probationary period;

(ii) Has been removed from the SES because of less than fully successful executive performance, failure to be re-certified, or a reduction in force; and

(iii) Is entitled to be placed in another civil service position under 5 U.S.C. 3594(b).

(2) Appointment in a different agency without a break in service of an individual originally appointed under paragraph (m)(1).

(3) Reassignment, promotion, or demotion within the same agency of an individual appointed under this authority.

(n) Positions when filled by preference eligibles or veterans who have been separated from the armed forces under honorable conditions after 3 years or more of continuous active military service and who, in accordance with the provisions of Pub.L. 105–339, applied for these positions under merit promotion procedures when applications were being accepted from individuals outside its own workforce. These veterans may be promoted, demoted, or reassigned, as appropriate, to other positions within the agency but would remain employed under this excepted authority as long as there is no break in service. No new appointments may be made under this authority after November 30, 1999.

(o) *The Federal Career Intern Program*—(1) *Appointments*. Appointments under the Federal Career Intern Program (FCIP) may not exceed 2 years, except as described in paragraph (o)(2) of this section. Initial appointments are made to a position at the grade GS–5, 7, or 9 (and equivalent) or other trainee levels appropriate for the Program, unless otherwise approved by OPM. Agencies will use part 302 of this chapter when making appointments under this Program.

(2) *Extensions*. (i) Agencies must request, in writing, OPM approval to establish or extend internships for up to 1 additional year beyond the authorized 2 years for additional training and/or developmental activities.

(ii) Agencies may extend, without prior OPM approval, 2-year internships for up to an additional 120 days to cover rare or unusual circumstances,

or situations where agencies have established criteria for approving extensions.

(3) *Qualifications*. Candidates will be evaluated using OPM qualification standards or OPM-approved, agency-specific qualification standards.

(4) *Tenure Group*. Career interns are in the excepted service Tenure Group II for purposes of § 351.502 of this chapter. Expiration of the internship is not subject to part 351 of this chapter.

(5) *Promotions*. During the internship period, career interns may receive promotions as determined by an agency's plan. This provision does not confer entitlement to promotion.

(6) *Conversion to Competitive Service*. Except as provided in paragraph (o)(6)(ii) of this section, service as a career intern confers no rights to further Federal employment in either the competitive or excepted service upon the expiration of the internship period.

(i) Competitive civil service status may be granted to career interns who successfully complete their internships and meet all qualification, suitability, and performance requirements. These noncompetitive conversions will be effective on the date the 2-year service requirement is met, or at the end of an agency or OPM-approved extension.

(ii) An employee who held a career or career-conditional appointment in an agency immediately before entering the FCIP in the same agency, and who fails to complete the FCIP for reasons unrelated to misconduct or suitability, shall be placed in a career or career-conditional position in the current agency at no lower grade or pay than the one the employee left to accept the position in the FCIP. For purposes of this paragraph, “agency” means an Executive agency as defined in 5 U.S.C. 105. An Executive department may treat each of its bureaus or components (first major subdivision that is separately organized and clearly distinguished from other bureaus or components in work function and operation) as a separate agency or as part of one agency, but must do so by agency directive in establishing the Program.

(iii) Service under the FCIP counts toward career tenure in the competitive service, if the career intern is converted to a career-conditional appointment under §315.712 of this chapter.

(7) *Terminations.* As a condition of employment, the appointment of a career intern expires at the end of the 2-year internship period, plus any extension. The employing agency may, with no break in service, convert the intern to a career or career-conditional appointment in accordance with §315.712 of this chapter. If an employee is not converted to a career or career-conditional appointment, the career intern appointment terminates, unless the employee is specifically eligible for placement under paragraph (o)(6)(ii) of this section.

(8) *Movement between career intern positions.* A career intern may move from one career intern position to another career intern position without a break in service. If the move involves different agencies, the career intern must separate from the current agency and be reappointed under a career intern appointment by the new employing agency. The career intern does not begin a new 2-year internship period; however, the career intern is subject to any other employment condition the new agency requires, including a possible extension of the internship period up to a maximum period of 1 year. The time previously served under a career intern appointment counts toward the completion of the 2-year period required for conversion.

(9) *Career Development.* Agencies will provide the career interns with formal training and developmental opportunities to acquire the appropriate agency-identified competencies needed for conversion. These activities may include, but are not limited to, formal training classes, rotational or other job assignments, attendance at conferences and seminars, interagency assignments, or other activities approved by the agency.

(10) *Agency Responsibilities.* Each agency will determine the appropriate use of the FCIP relating to recruitment needs in geographical areas, specific occupational series, and grades, pay bands or other pay levels, ensuring that programs are developed and im-

plemented in accordance with the merit system principles. Each agency must describe in writing how it will use the FCIP, including, but not limited to, such aspects as:

(i) Delegating the authority to develop FCIPs (e.g., department-wide versus bureaus and agency components);

(ii) Defining the roles and responsibilities of supervisors and other key officials in FCIP administration, such as human resources staff, budget and finance staff, career counselors, or mentors;

(iii) Identifying the positions or occupations that will be covered under the FCIP;

(iv) Developing procedures for accepting applications, and evaluating and selecting candidates according to part 302 of this chapter on employment in the excepted service and any other applicable requirements;

(v) Designing, implementing, and documenting formal program(s) for the training and development of employees selected under the provisions of this Program, including the type and duration of assignments;

(vi) Deciding how to inform the career interns of what will be expected during the internship, including developmental assignments and performance requirements; and

(vii) Planning, coordinating, implementing, and monitoring program activities.
